RE: Meeting request for Washington office April 22, 2004 from Jacki Rickert & Gary Storck

Dear Mr. Olson,

As you may recall, you scheduled an appointment with Rep. Kind for us on September 24, 2003. When we arrived for the appointment, we were advised the congressman had another appointment, so we met with staff. We were extremely disappointed that the congressman was unable to keep his commitment. The congressman is well aware that Jacki's medical condition makes travel of any kind very painful and difficult.

We will again be in Washington in late April and have made time in our busy schedule on April 22 so the congressman can keep his commitment to meet with us.

We look forward to hearing from you.

Sincerely,

Jacki Rickert
